

AFTER HOURS WAREHOUSE SERVICE POLICY AND FEES

The North American Electric after-hours service policy is not guaranteed and is dependent upon the availability of personnel to open the facility.

Based on requested after-hours service, opening fees are as follows:

\$150 per hour - Two (2) hour minimum to open up = \$300

\$150 per hour thereafter

(In the event additional time is required for after-hours service, regardless of reason, there will be an additional charge of \$150 for each additional hour. All fees are charged in minimum one (1) hour increments.)

Based upon the specific after-hours warehouse order request, the customer is responsible for all fees in the event the motor is not picked up.
